Notes:

- This table applies to students in the Transition Economy Program.
- Graduation Requirements: Students must complete a minimum of 38 credits, 18 of which must come from Category I, 6 from Category II, and 8 from Category III. The remaining 6 credits may be taken from Categories II, III, or IV.
- Courses offered in the Program are subject to change.
- Students can not take courses conducted in Japanese without Director's approval.
If a student takes the same course in both English and Japanese, only one course (2 credits) will count toward the degree.
- * Course Number, Instructor, and Term for these courses will be announced when the course is offered.
- ** Credits earned in these courses cannot count toward the degree.
