Applicants are not allowed to apply for more than one program.

You can apply to GRIPS only once in an academic year. This means that if your application to a GRIPS program has been rejected, you cannot make another application to any GRIPS program in that year, even if you choose a different funding option.

If you want to apply to one of our programs but it is not included in the list above, it may be a program for which you must file a paper application or file through a sponsoring organization. Please visit our web page “How to Apply” (https://www.grips.ac.jp/en/admissions/apply/) and check the application procedures for your program of interest.

This guide is intended only for applicants who are residing in countries other than Japan. If you:

1. are currently residing in Japan; or
2. are residing in a country other than Japan and plan to move to Japan in the near future, you may be considered a domestic applicant. Prior to applying, you must contact the Admissions Office by e-mail for clarification and to obtain information about the application process, since (depending on your visa or other status) you may not be considered a domestic applicant.

Please note that the application materials and procedures for domestic applicants are not the same as the materials and procedures outlined in this guide. You will NOT be registered as an applicant until your Registration Form has been submitted and we have received a complete set of your required supporting documents by post.

If you have applied to GRIPS in previous years and wish to reapply this year, any supporting documents you submitted previously cannot be used for this year’s application.

Please note that if you provide any false or misleading statement or incomplete or inaccurate information in your application, your application may not be screened, you may be denied admission or, if you have been admitted, you may be dismissed from GRIPS.

**Step 1**

To register, fill out and submit the Registration Form ([https://webentry.grips.ac.jp/entry_form/](https://webentry.grips.ac.jp/entry_form/)). Please note that applicants are not allowed to submit a Registration Form more than once in an academic year.

☐ Two (2) letters of recommendation (use the designated form)
Your letters of recommendation must be written by faculty members or job supervisors who are familiar with your academic and/or professional abilities. Ideally, one recommendation letter should come from a former professor or academic supervisor.

You are required to obtain the letters from your recommenders using the designated form and submit them. Each of your letters must contain both of the two A4 pages provided. Letters submitted that do not use our designated forms will not be accepted. They must be submitted in sealed, unopened envelopes signed across the flap by the recommender.

These must be documents issued by the university and bearing the seal or signature of the registrar, and they must be submitted in sealed,

How to apply for a waiver of the English language proficiency requirement
(There are two categories in our English test exemption policy.)

Category 1: Applicants who have completed or expect to complete an undergraduate or a graduate degree at an accredited institution located in the USA, the UK, Canada, Australia, New Zealand, or Ireland will be automatically exempted from submitting an English test score.

Category 2: Applicants who have completed or expect to complete an undergraduate or a graduate degree at an institution where the language of instruction is English may request a waiver of the English
language proficiency requirement. If you wish to apply for such a waiver, you must submit official documents issued by the educational institution you attended, certifying that your undergraduate or graduate education was conducted entirely in English. If the official transcript of your academic record or graduation/degree certificate includes that information, you need not submit a separate document. This document must bear the seal or signature of the registrar, and it must be submitted in a sealed, unopened envelope with the university logo and address noted; the envelope must be signed or stamped across the flap by the issuing school authority. You are advised to show these instructions to the registrar at the university that you attended when you request issuance of the document in accordance with our requirements.
