GRIPS Library website

The screenshot shows the GRIPS Library website interface. The header includes the logo and name in Japanese and English, along with navigation links for OPAC, MyLibrary, GRIPS, and Language (JP). The main navigation bar has links for HOME, News, Using the Library, Search & Find, and About Us. The main content area features a large banner image of the library interior. Below the banner, there is a calendar for October 2018, a search section with a search bar and buttons for 'Advanced search' and 'Online Resources', and a news section with recent updates. Callouts point to specific features: 'MyLibrary' points to the login section; 'Off campus Access' points to the 'Off Campus Access SSL-VPN' link; 'GRIPS Repository' points to the 'GRIPS Institutional Repository at GRIPS' link; 'OPAC (Advanced search)' points to the 'Advanced search' button; 'OPAC (basic search)' points to the search bar; and 'Online Resources' points to the 'Online Resources' link.

OPAC Search

(1) What can we search with GRIPS OPAC?

- GRIPS Library collections

- Printed resources: Books, journals and other materials held by GRIPS
- Electronic resources: E-journals and e-books to which GRIPS subscribes

- The collections of other institutes in Japan

→ Check “Other university” under “Target database” in Advanced search

- Note

- You cannot search by article title
the same as when you check “Other university”

➡ To search by article title, use the article database to find out the journal title and the volume.

➡ Then, search OPAC by journal title

Online Resources

Please read [Instructions and Directions for Use](#) before using online resources.

When accessing online resources from outside the campus, be sure to first log in to [SSL-VPN](#), then use e-journals and databases. For more details click [here](#).

E-Journals

- Access to E-Journal via OPAC
Search E-journal with [OPAC](#).
You can limit your search to E-journals by selecting "Journal" for [Material type] and "Electronic Journal" for [Journal type]
Full list of E-Journals is [here](#).
- E-Journal Platform
 - Cambridge Journals
 - Science Direct (Elsevier)
 - JSTOR
 - Oxford Journals
 - SpringerLink
 - Taylor & Francis Online
 - Wiley Online Library

* JSTOR works best with Safari, Firefox and Chrome.
Please make sure that your browser is updated. The quality of your experience will only get worse with the Internet Explorer.

- Choose an appropriate database according to what you want to search for
 - Field: multiple field, natural/social science, humanities, etc.
 - Material types: Journal articles, news, documents, statistics, etc.
 - Coverage
- Some databases provide e-journals, which can't be searched with OPAC
 - e.g. EBSCOhost (Academic Search Premier)
- How to access: Available on campus, in-library use only, open access

<http://www.grips.ac.jp/main/lib/en/search/database/>

Examples of databases

(1) EBSCOhost

Type of content: **Articles, eBooks**

Includes the following databases. You can search within a single database or do a federated search.

- Academic Search Premier

A multi-disciplinary database which provides the **full text** of more than 4,600 journals.

- Econlit

A source of references to economic literature. Note: no links to full text

- eBook Collection

Search and view **full text** eBooks.

Examples of databases

(2) Scopus

Type of content: **Articles**

- A large **abstract and citation database** covering science, technology, medicine, social sciences and the arts and humanities.
- Contains abstracts from the 1800's onwards, and every article published since 1970 has links to cited references. Also contains links to other online journals if the full text is available.

Examples of databases

(3) LexisNexis Academic

Type of content: **News, Law**

Provides access to more than 15,000 sources including news around the world, business, legal, and medical information.

- Full text articles of newspapers and journals
- Corporate information, SEC filings
- US federal / state cases & codes, law reviews, EU regulations, cases of Commonwealth nations
- Medline References (abstract), medical journals
- Who's Who, country reports, public polls (US)

3. GRIPS doctoral dissertations/master's theses

Search:

- 
- GRIPS Institutional Repository
 - List in the GRIPS Library

Search for GRIPS doctoral dissertations

The screenshot shows the GRIPS Institutional Repository website. At the top, there is a logo and the text '政策研究大学院大学 学術機関リポジトリ' and 'GRIPS INSTITUTIONAL REPOSITORY AT GRIPS'. Below this, a paragraph describes the repository's purpose. A search bar is visible with a 'Detail' link and radio buttons for 'Full Text' and 'Simple'. On the left, there is a 'Language' dropdown set to 'English' and an 'Index Tree' with categories like 'Journal Articles', 'GRIPS Discussion Papers', 'SciREX Working Paper', 'Doctoral dissertation', and 'Books'. On the right, an 'Index List' shows categories with item counts: 'Journal Articles [74 items]', 'GRIPS Discussion Papers [327 items]', 'SciREX Working Paper [5 items]', and 'Doctoral dissertation [376 items]'.

Search with GRIPS Institutional Repository (IR)

- Until 2012: The library holds the hard copies of GRIPS doctoral dissertations.
⇒ In-library use only (read or copy)
- Since 2013: **Full texts are available** in the GRIPS IR.

Search for GRIPS master's theses

Search the list available in the library

- The library holds hard copies of GRIPS master's theses
(Some are stored as CD-ROMs, depending on the programs and the academic year)
- In-library use only (read or copy)

Useful services

(1) MyLibrary

- How to log in: Log in with your **GRIPS ID** and password.
 - Access via OPAC, GRIPS Library website and G-Way.
- What you can do with MyLibrary
 - Reserve items: reserve materials currently on loan
 - Check the status of your current loans
 - Renew books on loan: 2 renewals are allowed, as long as the item is not reserved by others.
 - Apply for Inter-Library Loan (ILL): You can borrow books and obtain copies of articles from other libraries.
 - Request a book purchase by the library (students only)

<https://glib.grips.ac.jp/mylimedio/loginPage.do?lang=en>

Useful services

(2) Off-Campus access (SSL-VPN)

- You can use most of the GRIPS subscription online-resources (e-journals, e-books, and online databases) from off-campus via SSL-VPN service.
 - **NOTE:** when you use your own computer on campus (connecting via GRIPS campus Wi-Fi) you should access as if from outside the campus, i.e. **use GRIPS SSL-VPN service.**
- How to use
 1. Access the SSL-VPN login screen;
 2. Enter your **GRIPS ID** and password;
→ The  icon will appear after you log in at the top of the page.
 3. Search e-journals in the online catalog / Access the database from the links on the “Online Resources” page;
 4. Press the  icon to sign out.

http://www.grips.ac.jp/main/lib/en/search/ssl_vpn/

Use the materials of other institutes

(1) Inter-Library Loan Service (ILL)

- You can borrow books or obtain copies of articles from other libraries through ILL service. Apply via **MyLibrary**.
- Fees: GRIPS Library pays the fee except the following cases:
 - requesting express delivery of materials;
 - requesting materials, including online materials, available at GRIPS.

● Notes

- The lending library may limit the use of the material.
- **Journals cannot be borrowed.** → Make a photocopy request
- Obtaining copies for the purpose of private study or research is allowed within the limit of Copyright Law^{*}.

You can copy a part of each section of a multi-author book.

⇒ Make a book-loan request

^{*} It is permissible to make a single copy of a part of a work, or of all of an individual work in a periodical already published for a considerable period of time (i.e. the next volume has already been published, or three months have passed since publication).

Use the materials of other institutes

(2) Visiting other libraries

- You can visit other libraries **to browse** materials or **make copies** of them.
 - The visitor use procedure, such as obtaining a prior visiting notice or submitting a letter of introduction, depends on each library's regulations. Consult the GRIPS Library staff when you wish to visit other libraries.
- Borrowing at cooperative agreement libraries

GRIPS members are able to visit the following libraries and borrow books there.

 - JICA Library*
 - United Nations University Library*
 - Disaster Management Library.

*You will need a lending card. Apply at the GRIPS Library in advance.

Book purchase request

- GRIPS students may request that the Library purchase policy studies-related books to add to the Library's collections.
 - The books will be added to the collections after they are examined.
- How to apply: Apply via **MyLibrary**
- Notes
 - Requests for purchase of the following materials will not be accepted:
 - materials which the Library already holds in its collection;
 - test-preparation or language study books; and
 - journals and electronic resources.
