Features & Functionality At-A-Glance

- 1 Current Search Criteria:** Quickly view your current search selections and update your search results by removing selected items.
- 2 Limiters:** Refine a search without navigating away from the results page.
- 3 Filters:** Filter search results by type of resource, related subjects, publisher or publication and more.
- 4 Search History:** View and combine past search terms and set up alerts to be notified of new articles.
- 5 Research Starters:** Available for the most popular topics, Research Starters provides quick access to an overview article and links users to related information and detailed bibliographies.
- 6 Create a My EBSCOhost Account:** Create a personal account to store your favorite articles to a personal folder, and set your user preferences.
- 7 Sort Results:** Sort results by relevance, date, author or source.
- 8 Share:** View alerting, linking and bookmarking options from this menu.
- 9 Related Images:** Preview thumbnail images from full-text articles and EBSCO's Image Collection.
- 10 Preview and Add to Folder:** Click on icons to preview or add a record to your folder without leaving the results page.
- 11 Updated Library Catalog Information:** When enabled by a library, updated information for locating library materials is available on the search results.
