

GRIPS BULLETIN

2024–2025

Welcome to GRIPS, an international premier policy school with the aim of contributing to the betterment of democratic governance around the world.

The content in this Bulletin is designed to provide you the important academic information and explanation of GRIPS' rules, policies, and procedures that students need to be familiar with and follow, and the services and resources available to you to help you along the way. It provides answers to many questions you may have about academic and student life at GRIPS. Therefore, it is important that you read it.

We hope that your time spent at GRIPS will be a fruitful and enjoyable one.
