### Sign-in Requirements

The Ministry of Education, Culture, Sports, Science and Technology (MEXT) and the Immigration Services Agency of Japan require us to confirm that you are fully engaged in studying and attending lectures at GRIPS—whether you are on scholarship or not.

1. If there are any changes to these dates, you will be notified by email.

# Temporary Leave

If you need to leave Japan temporarily during your authorized period of stay, you are required to fill out a "Request for Temporary Leave" form and submit it to the Program Management Team (PMT) at least two weeks prior to your planned date of departure. Before making any plans, you must confirm that your plans will not conflict with your study and other academic events at GRIPS.

The form is available at the PMT counter or you can download it from GRIPS Portal Site for Students at Notice board. Before you submit the form, fill in the names of the classes you will miss during your trip, obtain permission from the professor of each class (including your advisor for Independent Study / Policy Paper / Policy Proposal Paper and intensive courses), and obtain the approval of the Program Director (Master's Program) / Advisor (Doctoral Program).

You are not required to apply for a re-entry permit if you possess a valid passport and Residence Card, and will return to Japan within one year of your departure. Make sure to take your Residence Card on your trip, since you must show it when you leave and re-enter Japan. For the details, please visit the website of the Immigration Services Agency of Japan.
(https://www.isa.go.jp/en/applications/guide/minashisain yukoku.html)

Also, as soon as you come back to Japan, you must notify PMT of your return and sign the "Confirmation of Return" section of the "Request for Temporary Leave" form.

# Internship

Students who wish to participate in internships (except for activities regarded as part of classes at GRIPS), whether in Japan or abroad, are required to complete the following steps.

1.  Please obtain the permission of your program director
(if you are a doctoral student, the permission of your advisor as well) before applying for internship or other programs outside GRIPS.

2.  Submit a "Notification of Internship Participation"
Please submit the completed form to the Program Management Team (PMT) of the Academic and Student Affairs Division at least two weeks prior to the planned start date of your internship.
Please note that when international students participate in internships outside Japan, they are also required to submit a "Request for Temporary Leave" form.
These forms are available at the PMT counter or you can download them from GRIPS GATEWAY system (G-way) at Notice board.

3.  Insurance
Please apply for the following insurance at the Student Office.
・Personal Accident Insurance for International Students
*If you already have this insurance, you do not need to apply again.

4.  Confirmation of return
Please sign a "Confirmation of Return" form at the PMT counter when you come back from your internship.

# Work Permission

The resident status of international students is *Student*, the designated status for those who are in Japan to receive education at a college. While in Japan, international students' activities are limited to those that correspond to the purpose assigned to their resident status.

If you wish to work, you must first obtain a permit for extra-status activities from the Immigration Services Agency of Japan. However, a permit for extra-status activities is not required if you intend to assist in educational or research activities at GRIPS. Thus, the Japanese government allows international students to engage conditionally in work activities. Nonetheless, in light of the intensive curriculum at GRIPS, the following policy has been established:

1. In principle, international students are not permitted to engage in work activities (excluding the provisions of item 2). However, if your Program Director deems an activity productive for your studies and/or research and free of any negative effect on your studies, you may be permitted to engage in work activities. In that case, you must obtain a permit for extra-status activities from the

Immigration Services Agency of Japan.

2. International students are permitted to assist in educational or research activities at GRIPS (e.g., as a TA or RA). However, in principle, students who are studying in one-year master's programs are not permitted to engage in the above activities.

3. If you wish to engage in any kind of work activity, you must first obtain the approval of your Program Director, and at least two weeks before you begin work, you must submit a request for permission to work, via your Program Director, to the General Affairs Team, Academic and Student Affairs Division. The form for requesting permission to work is available from the General Affairs Team (kyouiku@grips.ac.jp).

\* For those whose resident status is not *Student*
   If your resident status is not *Student*, you must obtain permission to engage in activity other than those permitted by the status of residence granted by the Immigration Services Agency of Japan, even if you plan to assist in educational or research activities at GRIPS.

# Registration for SECOM Safety Confirmation Service at GRIPS

GRIPS has adopted the SECOM safety confirmation service for confirmation of the safety of our faculty members, staff and students in times of emergency.

In an emergency situation such as a major disaster and/or network trouble, the system automatically sends an e-mail to:
-your GRIPS e-mail address and
-your non-GRIPS e-mail addresses (e.g. web/cell-phone email address) that you pre-registered yourself.

Your GRIPS e-mail address (XXXXX@grips.ac.jp) is already registered as one of the contacts to which the system will send emergency messages. Please also register your personal e-mail addresses, to prepare for situations where GRIPS email accounts are not accessible due to problems such as system failure.

Note: only the user himself/herself can confirm or modify his/her registered personal information, including e-mail addresses.

The registration information is as follows:
-URL for the registration page:
　　https://www.e-kakushin.com/login/
-Organization code: 0364396000
　　(same as the GRIPS phone number)
-User ID: your student ID number with letters capitalized (e.g., MEY22XXX)
-Initial password: 0364396000
(same as Organization code)

Note: For how to register your information after logging in, please refer to the manual from the next page. To store your information for the first time after logging in, it is necessary to change the initial password.

During our evacuation drills, we will send a test email to you via the system. Please register your personal email address before the drills take place.

Inquiries:
Academic Support Team (AST)
Extension: 6042
E-mail: ast@grips.ac.jp

These offerings include alumni reunions, seminars, the searchable alumni directory, and online networking opportunities utilizing social media such as Facebook, X, and LinkedIn.

Upon graduation you automatically become a member of the GRIPS Alumni Association, free of charge.
When you visit Tokyo, please feel free to drop by the campus! You are always welcome!!

## Alumni Reunions

Whenever a GRIPS faculty member or staff member visits a country where we have graduates, we schedule an alumni reunion there.
There are also plenty of online opportunities to stay connected with GRIPS, including symposiums, seminars, and virtual reunions.

## Local Alumni Groups

Local alumni groups, established around the world, help with the organization of local alumni events, advise and recruit prospective students, and promote GRIPS around the world. Please join your local group!

## GRIPS Alumni Platform

In 2024, we opened the new Alumni Platform site, where alumni can keep in touch with each other and with GRIPS. Through this site, GRIPS will keep you updated on our recent activities and will provide you with information on various events such as alumni reunions.
Note: your GRIPS email address is only valid while you are a GRIPS student.
Once you leave GRIPS, this platform will be your primary means of staying connected.
When you graduate, you will receive an invitation to become a member of this platform.
We look forward to your active participation!

## GRIPS in Social Media

### GRIPS Alumni on Facebook
Established in September 2007, the GRIPS alumni Facebook group has grown to become a major alumni networking tool. The group is also a great place to share information about alumni career moves, new developments at GRIPS, news about faculty members, alumni events, opportunities for further study or research in Japan, and more. The group currently has over three thousand members; all newly enrolled students are encouraged to sign up for the alumni Facebook group.

## Alumnus of the Month (ALMO)

The Alumnus of the Month is a special feature on the GRIPS website designed to recognize alumni who have made exceptional contributions to their field or profession, and those who are doing other interesting and exciting things.
